## LAW WEEK LOGO USE: Guidelines for Event Partners

**STOP!**

*Did you receive a Law Week Grant from Victoria Law Foundation?  
Then you're reading the wrong guidelines!*

*You need to acknowledge your event's grant funding in any promotional materials for the event. We have created a separate guide just for you that can be accessed [here](#). Please use those instructions instead.*

Welcome to Law Week 2018! We're thrilled to have you on board as an Event Partner and look forward to working with you to make learning about the law easy for Victorians.

As an Event Partner for Law Week 2018, you have agreed to use the Law Week logo in any promotional materials produced for your event and to acknowledge Victoria Law Foundation as the presenter of Law Week.

We want to make it as easy as possible for you to affiliate your event with Law Week, so have made a full set of Law Week logos available for your marketing and promotional use. The logo versions and their requirements for use are explained in this document.

Please note that **all logo use must be approved by the Foundation before final production.**

# 1 How to access the Law Week logo files

The Law Week 2018 logo files are available under the 'Resources' tab of the Law Week website. They should be used by Event Partners within the guidelines set out in this document.

From the website's Resources page, you can access the logo files Dropbox folder, which is home to all the different logo files.

To choose the correct logo file, work through the simple questions on page 4 of this guide.

## Additional promotional goodies

## 4 Important DOs when using the Law Week logo

### Clear space

When using the Law Week primary logo, please ensure that there is a clear space to the value of 'x' surrounding it.

This will ensure that the Law Week brandmark is always reproduced in a clear and consistent way.
